

Objective

To obtain a position that will utilize my current skills while allowing further experience in the graphic design field.

Employment

Graphic Designer

July 2007 - August 2008
NatCom Publications: Bixby, OK

Part of a two-man team that controlled the design and layout for Golf Illustrated, Bassin', and Crappie World magazines. Assisted with the redesign of two fishing magazines, including the merging of the two separate websites to one contemporary, unified website. Other duties include, but are not limited to, in-house digital photography, scanning, color-correcting, and in-house advertising.

Graphic Artist

August 2006 - July 2007
M.E.I. Labels: Catoosa, OK

Worked in a fast-paced production environment, with both pre-made art and creating artwork for customers. Other duties included pre-press, trapping, film work, and proof reading copy. Also created art and pre-press for Signature Printing, a screen printing company associated with M.E.I.

Graphic Design Assistant

May 2005 - May 2006
Public Relations
Northeastern State University: Tahlequah, OK

Worked one on one with numerous clients in the development and production of design projects. Arranged photo shoots or created art when necessary. Worked as part of the design team, and worked in corporation with many printing companies. Also ran and maintained a large UMAX commercial scanner, as well as a large format DesignJet printer.
